BRIDGE REHABILITATION FOR PRICE HILL

WHAT/WHEN: Bridge rehabilitation work will be starting up in Price Hill during the first week of May 2002. The contractor is **Baker Concrete Construction, Inc.** Crews will be placing an overlay on the decks and repairing the abutments on the bridges on West Eighth Street over Woodlawn and Fairbanks Avenue. This work is scheduled to be completed by July 2002. During construction, West Eighth will be restricted to one lane in each direction

WHERE:	<u>Street</u>	<u>From</u>	<u>To</u>
	W Eighth St	Elberon Ave	McPherson Ave

The Department of Transportation and Engineering oversees the rehabilitation and improvement of streets in the City of Cincinnati. The Department is also responsible for transportation planning, design, engineering services, structural and geotechnical services, right of way regulation and construction management. It is the clearinghouse for all City and regional transportation functions, including serving as a liaison to the Southwest Ohio Regional Transit Authority. For more information about our department, visit www.rcc.org/transeng.
